

CAVE Operation for Fall 2020

The CAVE will have limited equipment checkout services for faculty and students during the Fall 2020 semester to prevent the spread of COVID-19. We are happy to meet via Zoom to help with using equipment, or to answer any questions you may have about what is available.

To schedule a Zoom meeting, please email cave@uga.edu

Hours for Fall 2020:

M/W/F: 9:00 AM-11:00 AM, 12:00 PM-5:00 PM

T/R: 9:00 AM-11:00 AM, 1:00 PM- 5:00 PM

*Please note, although we will be available for pick up and drop off during these times, that does not mean the CAVE will be open for drop-ins during these times.

(Drop-in hours will be updated as soon as I know the availability of my second FWS)

Equipment Checkout

To request equipment, students and faculty will need to access Web Checkout at the following link: <https://webcheckout.coe.uga.edu/>

**Please note, you will need to log in to the Remote VPN, found at remote.uga.edu to access Web Checkout off of the campus network.

After making your reservation, please email the CAVE at cave@uga.edu to confirm your reservation and pick up time.

Equipment Return

We will provide you with a drop-off time to return equipment when you pick equipment up. If you need to drop-off at a different time than originally planned, please email us at cave@uga.edu to schedule a new drop-off time.

Equipment Hygiene

Upon return, all equipment will be wiped down with disinfectant and quarantined for a total of 3 days. It is imperative that you plan ahead for this reason! If you are ever curious about what is available, or when it will be available, do not hesitate to email or call the CAVE.

Faculty, Part-time, and Graduate professors:

If you would like to schedule a day for your students to come by and see what the CAVE has to offer, to pick up keys for lockers, semester long check-outs, etc, please email the CAVE at cave@uga.edu, as well as karism@uga.edu to schedule a time for your class to stop by in a socially distanced manner.
