

Lamar Dodd School of Art Study Abroad Scholarships

2023-2024

Study Abroad Scholarships include funding for independent experiential learning, the Lamar Dodd School of Art, Maymester course in New York City and the UGA Cortona Study Abroad program, which has consistently offered UGA students training in the arts in Italy since 1970.

Applications for non-Dodd Cortona Study Abroad awards are submitted through the School's [SlideRoom scholarship application page](#) and are screened by an appointed faculty committee at the school, which has sole discretion in determining recipients of the awards.

Please note, students who are pursuing Dodd Cortona Study Abroad scholarships should review eligibility requirements and deadlines by visiting the [UGA Cortona - Dodd Cortona Study Abroad Scholarship page on the UGA Office of Global Engagement StudyAway portal](#). There are thirteen (13) Dodd – UGA Cortona specific scholarship opportunities. One completed scholarship application in the [StudyAway portal](#) allows applicants to be considered for any of these scholarships.

Please carefully review the award descriptions below before applying. Pay close attention to eligibility and requirements.

The Lamar Dodd School of Art's scholarship program is coordinated with the University's Office of Student Financial Aid. Students who have questions about how a Lamar Dodd School of Art scholarship could impact their financial aid programs may call 706-542-8217 or visit the Financial Aid Office in Room 104, Caldwell Hall. DODD - UGA STUDY ABROAD IN CORTONA AWARDS

There are thirteen (13) Dodd – UGA Cortona specific scholarship opportunities. One completed scholarship application in the [StudyAway portal](#) allows applicants to be considered for any of these scholarships.

UGA Student Eligibility Requirements:

1. A **UGA applicant** must be a **degree-seeking, declared major or minor in Lamar Dodd School of Art** and have **completed at least one semester** as an

undergraduate or graduate student in the Lamar Dodd School of Art prior to applying.

2. A **UGA applicant** must be a student in good standing at the time of submission of this application as well as during the semester in which scholarship funds are to be received.
3. A **UGA applicant** is expected to register an appropriate course load during the study abroad experience.
4. A **UGA applicant** must be **accepted by** or be **under consideration by** the UGA Cortona Study Abroad Program. **ALL UGA CORTONA PROGRAM APPLICATIONS SHOULD BE SUBMITTED THROUGH THE [STUDYAWAY PORTAL](#)**

Steps to Complete the Scholarship Application in the [StudyAway Portal](#):

1. Complete the **SCHOLARSHIP APPLICATION** in the [StudyAway Portal](#).
2. Write a brief **SCHOLARSHIP ESSAY** that outlines your educational, personal, and professional goals and explains, in turn, how these connect to your plans for study abroad.
3. Request a **LETTER OF RECOMMENDATION** attesting to your academic qualifications and personal attributes. Ask your evaluator to explain how they know you and what type of opportunity they have had to observe your academic and personal accomplishments. Ideally, you should seek a letter from a professor or instructor who has taught you in an advanced or challenging subject. If you choose a recommender who is not university faculty, they should speak to extra-curricular or work activities that are highly relevant to your major or other professional goals. A letter from a relative is not appropriate. We can only accept recommendations sent direct by the person recommending you (not through you).
4. Upload image files of **5 “PORTFOLIO SAMPLES”** of your work.

A REMINDER TO ALL APPLICANTS ABOUT NEED-BASED SCHOLARSHIP SUPPORT AT UGA:

All scholarships to UGA students are processed and distributed by the **UGA Office of Student Financial Aid** (OSFA). Not all Franklin scholarships are need-based, but many are. We wish to remind you that in order to be considered for need-based support at UGA, you must complete a [Free Application for Federal Student Aid](#) or [“FAFSA” form](#). A [FAFSA](#) allows the UGA OSFA to assess your student financial need. If the OSFA office does not have a [FAFSA](#) assessment for you, they cannot determine your need, which then prevents us from considering you for any need-based scholarships. If you are unsure about whether you have completed a [FAFSA](#) in order to determine eligibility for need-based scholarships, please contact the UGA OSFA.
