

LAMAR DODD SCHOOL OF ART
DEPARTMENTAL MAED ADVISORY COMMITTEE FORM

After 12 credit hours at the graduate level, students must select a Major Professor and two additional committee members. The willingness of faculty to serve in these roles will be indicated by their signatures on the form below. The role of Major Professor can be filled by the faculty member who served as the student's Faculty Advisor in the first year; however, this is not required. If the committee members change a new form must be submitted for departmental documentation.
